

Ultra High Pressure

A Division of FC Cleaning Systems Ltd

Falch R5

Electric powered high pressure water jet wheel base, with 500 maximum pressure at 28 l/min cold water. Steel safety frame, solid rubber wheels, easily transported.

Specification	
Pressure	50 - 500 bar
Flow rate	10 – 28 l/min
Electric motor supply/output, speed	36 kW/30kW 1460 u/min
Power supply/fuse rating	400V/50 Hz/ 63 A
Net weight	440 kg
Dimensions	1280x1020x795 mm
Sound level	98 db
Water	Cold water

Benefits
Reduced set up times
Steel safety frame for reduced downtime
Pressure control system for variable pressure
High quality components reduces maintenance costs
Water cooled diesel engine
Long service life
Solid rubber wheels for easy transportation and fork lifting
Soft start system
Reduced set up times

Safety System
Low water safety valve
Pressure release valve
Steel safety frame
Push control buttons

Standard equipment
30 m high pressure hose
30m water inlet hose on reel
Shoulder support
Spray gun
