

# Ultra High Pressure

A Division of FC Cleaning Systems Ltd

## Den-Sin Merlion 350

Compact design with solid, galvanised powder coated frame and stainless steel top cover. Up to 350 bar maximum pressure at 21 l/min and 60°C hot water. 3 phase electric powered with powerful 20 Hp motor.

### Specification

Pressure	350 bar
Flow rate	21 l/min
Voltage/phase/frequency/ Current (V~/Hz/A)	380-415/3/50/33 or 380-415/3/60/26
Pump (rpm)	1450/1725
Net weight	173 kg
Dimensions	1210x750x960 mm
Water temp	60°C
Power consumption kW	20/14.7
Cleaning impact (kg/force)	9.5

### Standard equipment

15 m high pressure hose

Spray lance

High pressure gun

### Safety system

Low voltage controls, fuses, overload relay and main isolator

Stainless steel top cover for protection

Solid, galvanised and powder coated frame

Automatic start/stop with timer

### Benefits

Big handle for easy manoeuvring and storage of cables and hoses

Compact design, can go through standard door

Easy access to pump for service and maintenance

Triple pump with ceramic plungers

Powerful 20 Hp motor
