

Ultra High Pressure

A Division of FC Cleaning Systems Ltd

Kärcher HD 13/80 De Tr1

Trailer mounted with 3 chamber tank system, up to 800 bar maximum pressure at 21 l/min and 95°C hot water. This model is fitted with a Kubota diesel engine and oil heated double burners.

Specification

Pressure	800 bar
Flow rate	21 l/min
Diesel engine max.	38 kW
Water tank	200 l
Net weight	1540 kg
Dimensions	4068x1912x2000 mm
Sound level	90 db
Anti freeze system	Yes
Water temp	95°C
Heating capacity	160 kW
Drive	Kubota diesel

Safety system

Low water control
Protective sound suppressing cover
Steel chassis trailer
Bunded trailer protecting water and fuel tanks, prevents accidental leakage
Engine temperature
Oil pressure
Engine overheat
Emergency stop button
Cover closure sensor for improved operator protection

Standard equipment

20 m high pressure hose
Handle
Spray lance
High pressure gun
Front panel with plain text display

Benefits

Pressure speed control
Suction valve lifting in idle mode
Reduced set up times
Reduced maintenance costs
Water cooled diesel engine
Long service life
Improved service intervals
Low fuel consumption
EU4 engine
